

SUMMER DREAMS

The Detroit Free Press' 16th annual Summer Dreams program, together with the Skillman Foundation, raises money for summer camps that give individuals the experiences to change a life and the memories to last a lifetime. The program runs through August 2008.

MORC submitted a list of recreational activities for individuals assisted by the agency, which totaled \$18,000, and was selected as a participant in this year's Summer Dreams program.

If you are interested in helping to raise the needed funds, there are two options for making a donation:

- To donate by check or money order, [download the form with instructions here](#).
- To donate securely online with a credit card or bank transfer via PayPal, go to www.freep.com/summerdreams.

Please remember to designate Macomb-Oakland Regional Center, Inc. as the agency to receive your donation.

Thank you for helping to make Summer Dreams come true!
