CPR and First Aid classes are offered through Comprehensive Health & Safety Education, Inc. (C.H.A.S.E.). Upon completion of these courses, participants will receive American Heart Association certification, which will be valid for two years from the date of training.

If individuals are scheduled to attend a class and do not attend, or do not cancel two business days prior to the date of a class, there will be a charge for the slot. The cost of an unused slot is \$20 for a CPR class, \$25 for a First Aid class, and \$35 for a CPR and First Aid class.

IMPORTANT: Be sure to allow adequate travel time. Because of the nature of the training content, late arrivals are not normally admitted to class. Please dress appropriately – some skills will be practiced on the floor.
