

CALL FOR COG PRESENTATIONS

8th Annual Culture of Gentleness Conference

August 22nd and 23rd 2019

Weber's Inn

Ann Arbor, Michigan

Deadline: April 15th, 2019

We want to hear from you! After a successful and inspiring experience from last year's conference, we are looking forward to our 8th Annual Culture of Gentleness Conference and we are looking for presenters. If you, or someone you know, have an interest in sharing a presentation relating to how your Culture of Gentleness initiatives have had a positive influence on those receiving your services, the culture of support workforce, organizational culture or policy and we would like to hear from you! This conference presents a unique opportunity to share the research, best practices, case studies and lessons learned on creating and sustaining a culture of support for vulnerable populations in varied environments. The culture of support must be one where all individuals are treated with compassion, respect and empathy; where the focus is on strengths and building relationships, and where individuals are empowered. Breakout sessions will be 60 minutes in length and anyone is welcome to submit a presentation proposal. The number of sessions will be limited, so you are encouraged to get your proposal in early! If your proposal is accepted, you will be notified no later than April 30th, 2019.

One presenter per session will receive registration for both days of the conference.
